# ACKNOWLEDGEMENT

I would like to acknowledge all those who have given moral support and helped in making the project a success.

I wish to express my gratitude to the eProject Team at the Head Office, who guide and helped me. I would also like to express my gratitude to all the staff members of my center for not only providing me with the opportunity to work with them on this project, but also for their support and encouragement throughout the process.

I also express my sincere gratitude to the eProject Team at the Aptech Head Office and my project guide at the organization, for his valuable guidance and support for the completion of this project.

And finally, I would like to offer many thanks to all my colleagues for their valuable suggestions and constructive feedback.

## Synopsis

Merciado Amusement park is now prime focus of the city and the nation. It is made by Seth groups of companies. The development of this park took 5 years to get their desired finished product. It has become nation pride now. The area of the theme park is about 45 acre land. The Management has put all efforts to keep the attractions operational.

## Problem Definition

- + Describes all the attractions of the park.
- + Allows users to book tickets online.
- + Developed for the Windows
- + Using HTML5, JavaScript and Geolocation
- + Work well in all leading browsers including Chrome, IE, Firefox etc.
